Front Cover

by John Taylor

Zohran Mamdani, Cheshire cat socialist Mayor of New York City, usurped George Washington's historic desk in City Hall during the July 4th 250th Anniversary of America to opportunistically spew Islamic patriotism, attack ICE, criticize capitalism, and denigrate Trump's policies.

Praised by progressives. Skewered by cartoon.

Chuck Screwmor

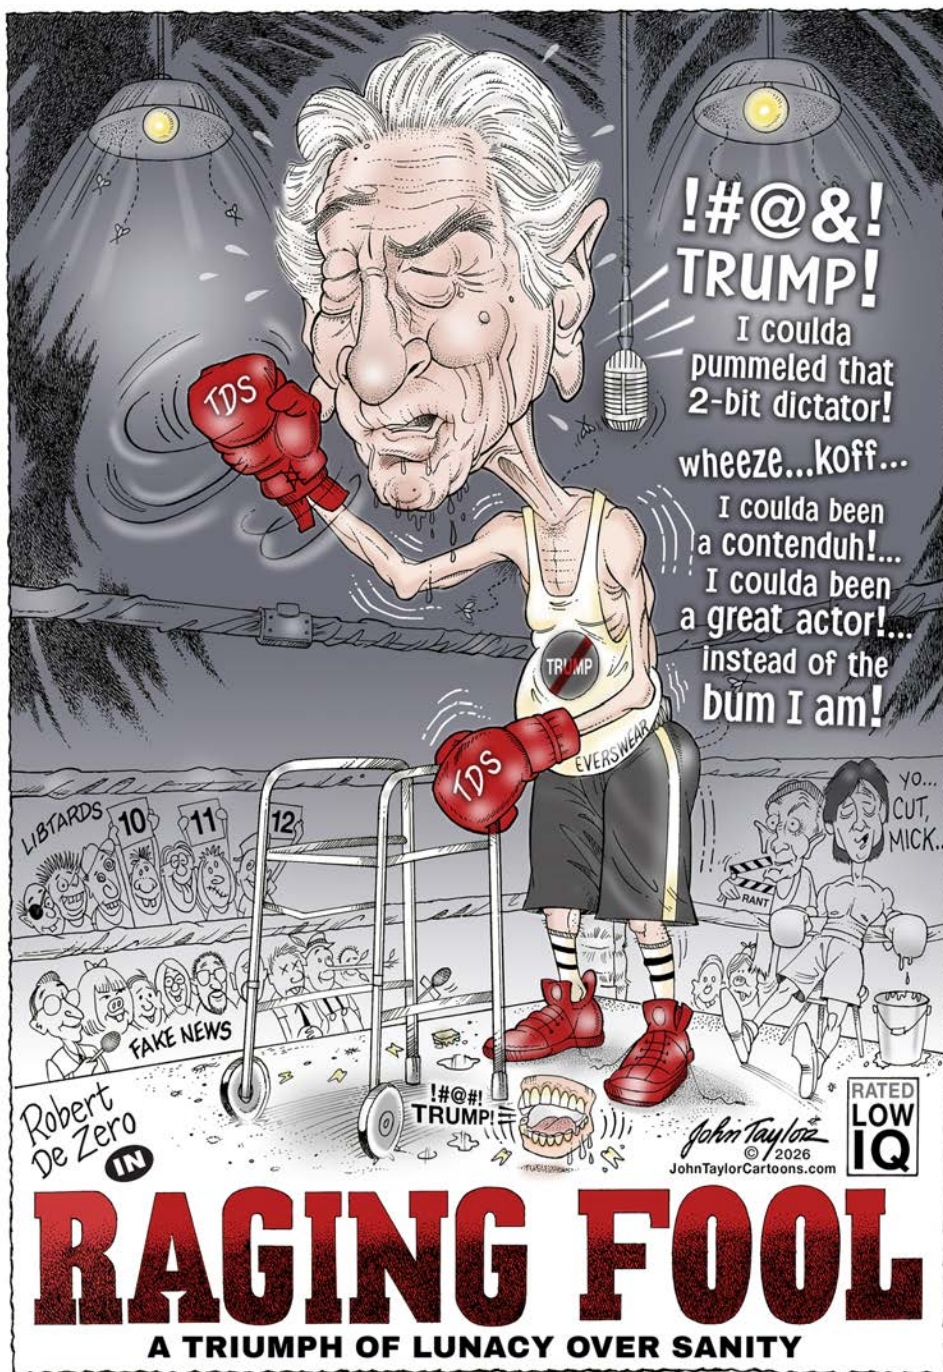

by John Taylor

Dumocrat Senator, Chuck Schumer, avowed Jewish anti-Semite, veiled in Palestinian keffiyeh, has contentiously embarrassed himself in the Senate for over 45 years and risks replacing Biden as the dumbest, anti-American politician in the country.

Drawn as a rapacious bird of prey, one can only pray Chuckles becomes an entrée for the Right.

Sen. Chuck Schumer (D-NY)

Robert de Zero

by John Taylor

"Acclaimed" Hollywood bad actor, Robert De Niro, has been playing one, sorry role for an extended engagement, Trump Derangement Syndrome.

Each time De Zero thrusts himself in front of the press and opens his strident mouth, he removes all doubt as to his low IQ. Too many hits to the noggin in "Raging Bull?"

Inflammatory rhetoric from Hollywood elitists like De Zero attacking conservatives and common sense show they have more in

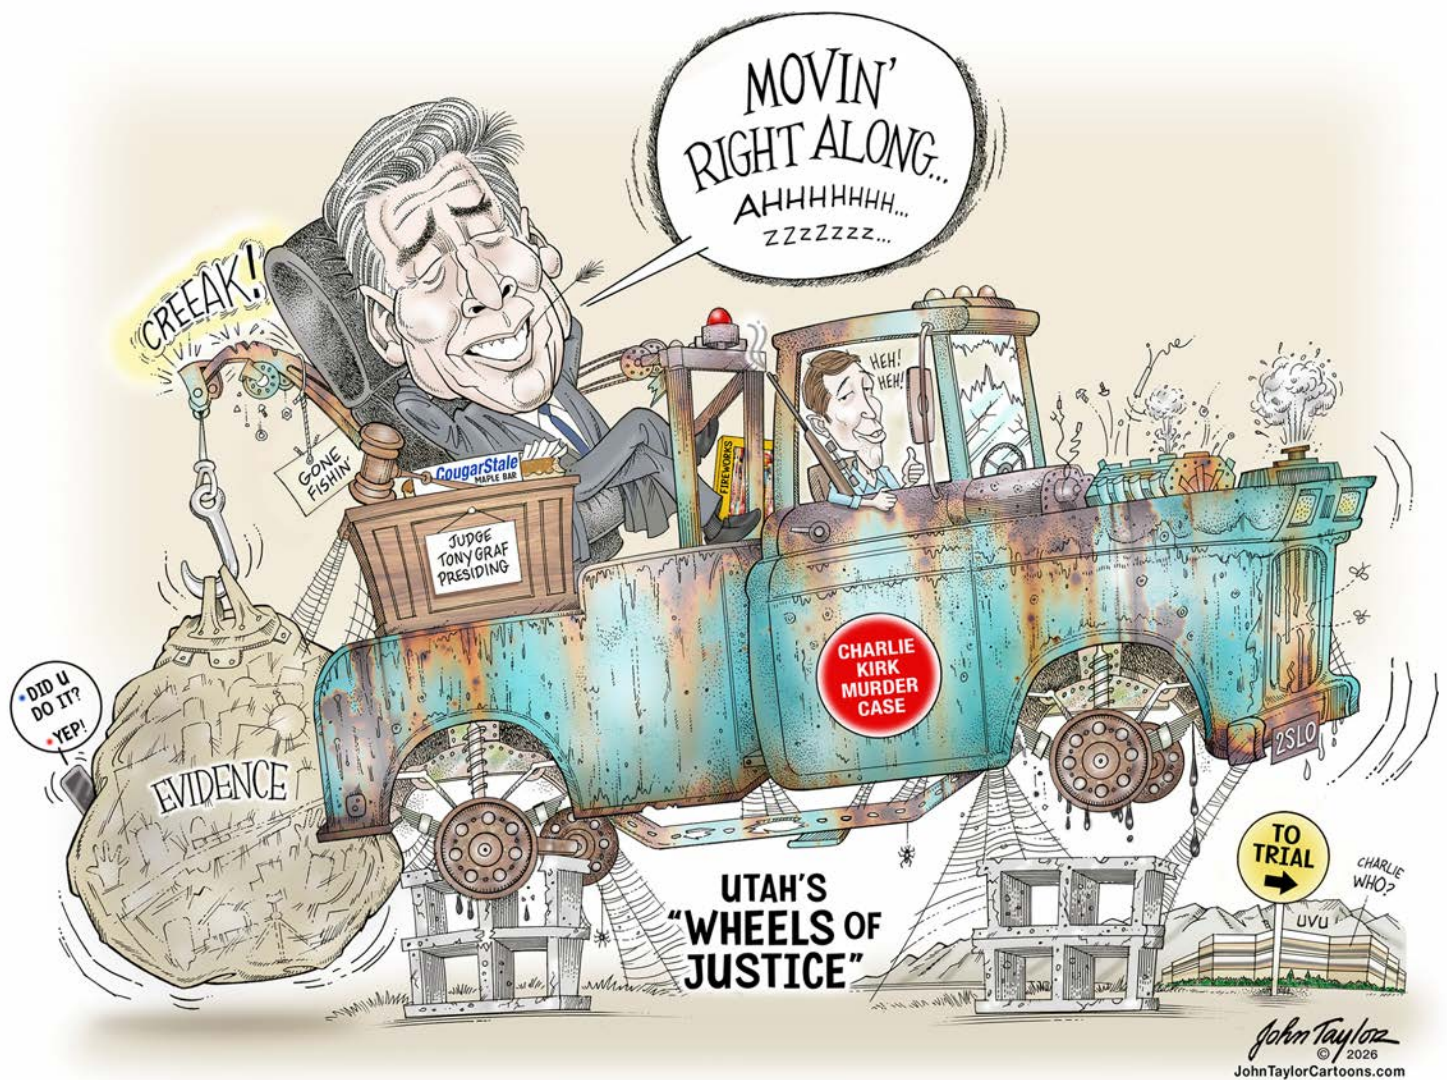

common with radical Islam than U.S. citizens expressing their free speech rights.

De Zero's profanity-laced tirades do nothing but fuel the antipathy towards, and elimination of, conservative leaders who seek to safeguard our liberties in defense of our freedom, like Donad J. Trump.

"Profanity is the effort of a feeble brain to express itself forcibly."

Slow-Walking Judge Tony Graf

by John Taylor

The lifestyle pace in Utah is notoriously slow. And it appears, so are the Wheels of Justice.

The Charlie Kirk murder case, in the defense of accused Utah assassin, Tyler Robinson, is taking the **"innocent until proven guilty"** principle to a ridiculously egregious level, especially in light of self-admittance of the capital crime by Robinson himself.

Utah Fourth District Court Judge, Tony F. Graf, Jr., is perfectly fine slow walking the trial, in leisurely Utah style, enjoying pastries along the way, as the evidence piles up. Meanwhile, the accused yucks it up and mocks the loss of one of the great conservative minds of our time, Charles James Kirk, to the disgust of the grieving family.

Due to the fiery, murder-laden rhetoric of the Left, such as that of Robert De Niro (see page 2), it is sure we will see ongoing political assassination attempts on conservative beacons.
